Approved For Release 2004/03/25 : CIA-RDP80T01629R0003 Attached is our memo on the DMZ issue. It is a concensus effort participated did the basic draft which we all (plus Godfrey) reviewed and worked over. We have been as non-controversial as possible in our language but the views expressed herein would still almost certainly displease our military colleagues. The paper was written to brief
